

US NAVY EOD WARFARE

US Navy EOD is the premier EOD Force in the world. We must...

- **Institutionalize continual improvement of our Enlisted and Officer's leadership ability and professionalism.**
- **Increase our strategic engagement and communication to develop greater understanding and collaboration across the force.**
- **Maintain the highest standards of training, equipment, and development of unparalleled EOD, Diving and Salvage tactics, techniques, procedures, and weapons technical intelligence in order to defeat our adversaries.**
- **Provide the United States Navy with unmatched MCM.**
- **Shape our force structure to provide the right capabilities critical to enable Navy EOD warfare contributions to the Nation.**
